Details:

This modern single-storey villa is characterized by quality construction and spacious floor plan on an area of approximately 320 sqm (3445 sq ft).

Only in 2004, the building was completely renovated from the ground up and replaced.

At the residential level, there is a bright entrance hall with a view to the courtyard and a spacious living room with fireplace and access to the south terrace, five bathrooms and five comfortable double bedrooms and a large kitchen with dining area and access to the barbecue terrace and the garden.

The main bedroom has a walk-in closet and a Jacuzzi.

The adjacent spacious garden also features a swimming pool, inviting you to cool off on hot summer days.

Also air conditioning, an alarm system and an automatic irrigation system in the garden are part of this beautiful villa.
